

1. **With care**, turn **Left** at road junction and then after 400m at Tantara Lodge turn **Right**.
2. 200m from junction and where spinney ends turn **Right** over bridge and into an enclosed path.
3. **Fwd** along path, over footbridge, and thro' kissing gate.
4. Continue forward with hedge on right and thro' another kissing gate.
5. In the next field with hedge on right continue for approx 100m to a Waymark Post.
6. Turn **left** at post and aim for "out of sight" top right hand field corner. Thro' kissing gate in corner.
7. Continue with fence and gate on left for 15m, **Left** thro' kissing gate and proceed along field with hedge on left to go thro' kissing gate just off field corner.
8. With pool on left, half right across field, aiming to left of house. Cross a farm track (with gates) then to kissing gate in corner next to garden and exit onto road.
9. Cross road **with care** and go thro' kissing gate, then thro' kissing gate in hedge on right. Turn **Left** up field approx' 70m and then thro' kissing gate on left.

10. Turn **Right** with hedge on right up thro' field to cross a stile into a fenced walkway with large garden on left. Then follow round keeping **a disused quarry on right (Take care)**.
11. Exit private property (right of way exists) down drive to road.
12. **With care**, turn **Left** down road for approx. 250m and go through gate on **Right**.
13. Turn **Right** up path, hedge on right to climb stile, turn **Left** and descend with conifer hedge left to climb stile into field.
14. Cross field aiming for church, enter churchyard thro' gate and exit at front gate.
15. Continue forward up road to reach main road and in a short distance turn **Left** down Lower End.
16. Continue down Lower End past The Malt Shovel pub on your right to the Village Hall **Checkpoint 2**

Total distance now covered: 14.3 miles
