

**Map No 11**

Direction of walk on map Bottom/Top

1. Go through kissing gate into next field.
2. Continue with hedge on right through two kissing gates and under overhead power lines to go thro' kissing gate in corner.
3. Bear **Right** along bridle track (*often very muddy*) and cross over Pedlar's Bridge to road.
4. **With care** turn **Left** and then shortly **Right** into Colehurst Lane and up to bridge over canal (Grimes Bridge).
5. Just before bridge gain access to canal towpath on your **Left**.
6. Follow towpath for about 1.9 kilometres (canal on your right!) to go under Motorway (M6), and then a metal bridge (Nettle Hill Bridge). (*Towpath is often very muddy between these two bridges*)

**Total distance now covered: 25.2 miles.**

Brinklow to Nettle Hill Bridge
