1. **_With care_** cross over Wall Hill Rd, proceed up Windmill Lane to **Checkpoint 7**

2. Approaching Birchley Hall Fm the lane becomes a track, thro' kissing gate left of field gate, then in approx. 100m turn **_Right_** thro' gate beside double metal gate.

3. Follow farm track to edge of wood, continue with wood on right to field corner.

4. Turn **_Right_** and follow fenced path on edge of wood, proceed with wood on right ignoring stile on left.

5. Over stile at end of fenced path, forward to next stile.

6. Keeping wood on right, continue and pass thro' hedge gap. Approx. 75m from gap turn **_Left_** at Waymark Post **(can be hidden in holly bush)**, joining _"A Heart of England Way',_ across field to take stiles and footbridge over Pickford Brook.

7. Continue forward and exit field through kissing gate and over footbridge onto road (Harvest Hill Lane).

8. Turn **_Left_** to Ivy House Farm.

9. Turn **_Right_** and over stile into field opposite the farm.

10. Continue with hedge on left over three fields and one stile, _(the final one on ACW 40-mile route! Plus one new "pedestrian gate within a field gate" where there was a gap)_, to the edge of woods and thro' kissing gate into sunken lane.

11. Turn **_Left_** along sunken lane and after a short distance turn **_Right_** thro' kissing gate and walk down thro' the woods (Meriden Shafts).

12. Exit wood through kissing gate, then bear right over board-walk and then sleeper footbridge and climb through two 'horse jump' fields.

13. Thro' kissing gate in gap in hedge, left of wooden building, then with hedge on left down field to exit thro' another gate into road (Showell Lane).

14. Turn **_Right_** and in a short distance reach the 'Green' at Eaves Green.

15. At the 'Green' take the left hand fork (Eaves Green Lane), downhill.

16. Proceed under A45 and continue forward at junction with Walsh Lane to reach the "Queen's Head Pub" which is the **FINISH.**

Well Done !
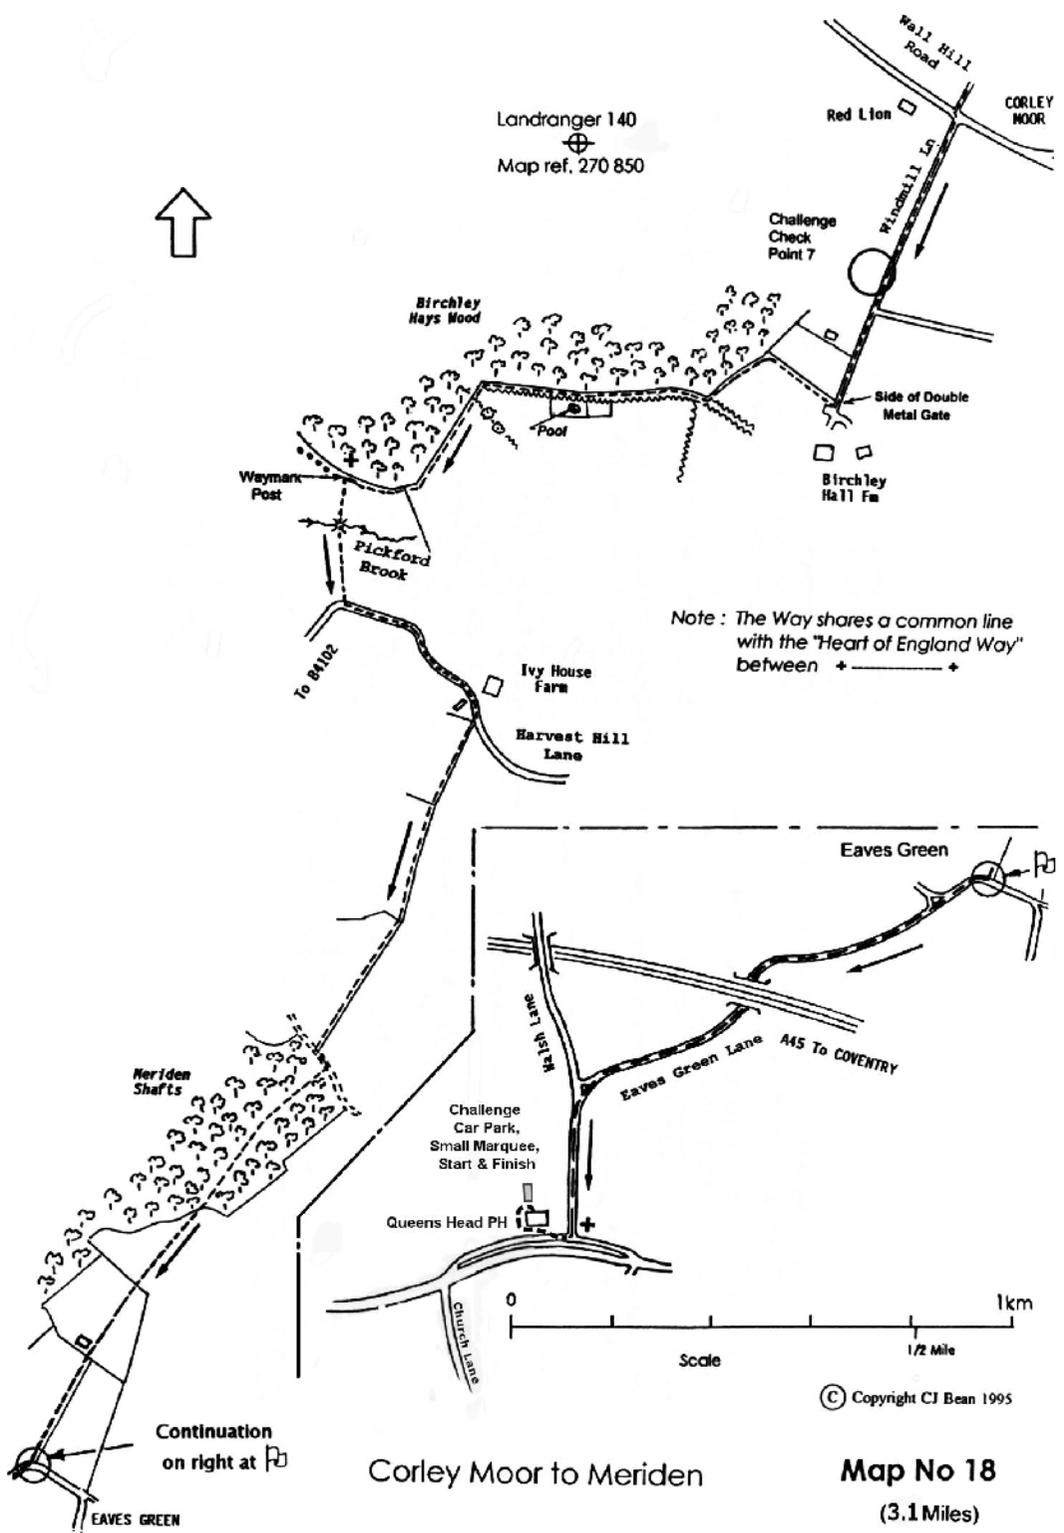

Corley Moor to Meriden
